

# DOBP

Driver built on the panel, Integrated option with higher cost performance

Driver is fixed on the panel

Reduce packing cost  
Industrial packing:  
10pcs/carton without inner box

## Features:

- LED back lit big panel with higher lumen efficiency 100LM/W to MAX 160LM/W.
- Driver built on the panel, save volume, save packing cost.
- Step frame or flat frame optional
- CE/New ERP approval, reliable quality with 3 years warranty

## Application:

- Office, Supermarket, School, Hospital, Commercial buildings and so on.
